

Fill your Pot of Gold with Kindness

Kindness is more than being nice, it's offering the best of yourself to others. When you show kindness, you will find it just as rewarding as receiving it from someone else.

What can you do to show acts of kindness to others? Use crayons or markers to decorate the rainbow, pot of gold and kindness coins, then cut and glue a coin on your pot of gold for each act of kindness you show others.

Kindness Inspiration

- Let someone go first
- Ask how someone feels
- Give a compliment
- Work with someone new
- Invite someone to play
- Smile and say "Hello"
- Write a kind note
- Give an air high-5

Info for Teachers: [Download the Pot of Gold](#) as an eye-catching background for your virtual classroom to inspire kids' kind words and actions.

- Use as a check-in to set a positive tone for your class.
- Invite kids to use a coin icon in the chat box to share their act of kindness.
- Set a class goal, encourage at least one act of kindness each day.

Bonus! Create a bulletin board to showcase your students' acts of kindness.
